

# Bentley Continental GT - W12

Experience timeless luxury and effortless performance with this stunning 2007 Bentley Continental GT. Powered by the iconic W12 engine, this grand tourer delivers smooth, commanding power with refinement only Bentley can offer.

With just 58,000 miles, this example has been exceptionally well cared for and offers an outstanding opportunity to own a true luxury performance car at a fraction of its original price. Combining handcrafted interior comfort, all-wheel-drive confidence, and unmistakable presence, the Continental GT remains one of the finest grand tourers ever built.

Your chance to enjoy prestige, performance, and value in one remarkable package.

A near blemish free example that has had a good history. Last serviced at 56265 miles but will receive a sales service. Recent new tyres and Alloy wheel refurbishment. Last owner, a proud and gentleman owner, has used the car sparingly over the last 3 years. The car has been garaged and comes with a cover. Mostly serviced by Bentley main and specialist
