

BMW 635 CSi (E24)

Ultimate 80's BMW coupe

1986 BMW 635CSi with just 73, 000 original miles. A true icon of BMW's golden era, the E24 6 Series combines timeless styling, smooth inline-six performance, and refined grand touring comfort.

Powered by BMW's legendary 3. 4L inline-six engine paired with a smooth automatic transmission this 635CSi delivers the classic driving experience that has made these cars increasingly sought after by collectors and enthusiasts alike.

This 3 owner example has been well cared for and presents as a fantastic opportunity to own one of BMW's most recognisable classics. The body showcases the unmistakable "Shark Nose" design, while the interior offers the luxury and craftsmanship expected from BMW's flagship coupe of the era.

Car has an excellent and fairly meticulous Service History plus a current MOT, with no advisories, until March 2027
