

Ford Capri Laser 1.6 (1987)

1987 Ford Capri Laser - Classic Ford

The iconic 1987 Ford Capri Laser 1.6, combining classic styling with the unmistakable character that made the Capri such a favourite.

Finished in a timeless period style and Diamond White, this Capri is a great opportunity for any classic Ford enthusiast or collector. The 1.6 engine offers a great balance of performance and economy, while the Laser specification gives it plenty of the classic Capri charm.

The car presents well and is ready to be enjoyed, whether you're looking for a weekend classic, a show car with a little more tlc, or simply a nostalgic piece of Ford history.

Classic rear-wheel-drive Ford

Iconic Capri styling

Period-correct Laser specification

Increasingly sought-after and collectible

A genuine slice of 1980s Ford history and a great chance to own one of the UK's most recognisable classic coupes.

- Paint in very good age related condition.
- Wheels in good condition and have been previously refurbed.
- Seats in good condition with no noticeable wear.
- Door cards undamaged.
- Carpets no major wear or stains.
- Headlining a bit scruffy in places
- Clean engine bay
- Gauges fully functional.

Not much history has been lost but last serviced in 2026.

Engine and gearbox running smoothly with no issues.

Underneath solid with no major corrosion.

Sure there are things that could be tweaked but generally is a nice, clean example
