

Jaguar XJS V12 cabriolet

Taken in as a PX against a newer XJS. Has been recommissioned since sitting for 2 years including suspension components, battery and other work. Extensive previous history including engine rebuild.

A timeless British classic powered by Jaguar's smooth and refined V12 engine. This elegant convertible offers effortless cruising, distinctive styling, and the unmistakable character that has made these cars highly desirable among enthusiasts.

The car is in reasonable condition for its age and presents well overall. It starts, runs, and drives, with the V12 delivering the smooth performance these cars are known for. The bodywork and interior show the expected signs of use and age but remain respectable, making this an enjoyable driver or an excellent candidate for light restoration and improvement over time, or just enjoying

This Jaguar is ideal for someone looking to own an affordable V12 classic that can be driven and enjoyed while appreciating in value. Whether you're adding to a collection or looking for a distinctive weekend cruiser, this is a rare opportunity

to own one of Jaguar's most elegant grand touring convertibles.

Priced to reflect its condition. Serious enquiries are welcome. Viewings are encouraged.
