

Land Rover Defender 90 (Heritage)

Heritage Style Defender 90

5 years ago this benefitted from major refurbishment and heritage styling and since has only done 2000 miles literally down to the beach and back we are told... so cool.

A truly stunning example of this iconic Landy with a recent new 2.5 Diesel Turbo Engine - Heritage styling. The renovation transformation work included:

- New 'Turner' Engine
- Gearbox reconditioned
- Transfer Box reconditioned
- New Turbo
- New Interior
- Heated Screen
- Heated Seats

New Roof

New Roll Bars

New Rear Chassis

An opportunity to own a classy Defender that's still a defender

Solid paperwork including some pictorial evidence of refurbishment
