

Mercedes SL300 (R107)

Iconic German sports cruiser

This car has a fantastic colour combination of Midnight Blue and Mushroom/Beige interior. A timeless, beautiful iconic car, gathering huge popularity and value.

The 300 SL is a rear wheel drive Friedrich Geiger designed convertible. Its 3-litre engine is a naturally aspirated, single overhead camshaft, 6 cylinder that developed 177 bhp bomb-proof six-cylinder powerplant with thick steel construction and second-to-none build-quality. Bulkhead checked in Nov 2021
