

MGB Roadster

MGB Roadster subject to a significant previous renovation

This beautiful chrome bumper MGB as built in Abingdon in May 1971 and has overdrive

Finished in the original Glacier White, with black Ambla trim, mohair soft top, Mota-Lita steering wheel, Mini-Lite alloy wheels supplied with Full Tonneau and hood cover.

She was rebuilt/renovated between 1994 and 1996 with many new panels including wings, sills, valances and castle sections. Plus a reconditioned engine (same number), gearbox and overdrive overhaul rebuild, plus trim and chrome work. This is pictorially documented with supporting paperwork totalling over £7000.

Since then the car has been well looked after with servicing and MOTs plus a stainless steel exhaust, reconditioned starter motor and tyres.

Has Heritage certificate and large history file

A lovely B that has done about 8000 miles since rebuild
