Morgan 4/4

This Morgan 4/4 is in the process of being recomissioned having just arrived this mainly concerns some paint attention in small areas, wheels refurbish and mechnical checks but essentially is in good order and will come with a new MOT

The car has a full tonneau, side screens and a good quality roof. Owned by the last owner for a number of years the car has been mainly dry stored and seen little of the road for the last 3 years
