

Triumph Stag V8 manual - restored

This desirable manual gearbox complete with overdrive has had a small fortune lavished on her

Accompanied by an impressively large history file, a pile of Stag magazines, original handbooks and manuals

Finished in Red with Black leather interior upholstery, was in the last owners' possession since 2009. Significantly restored between 2018 and 2019, the Stag's history file contains details of Car Restoration of over £18,000 with documented bills going back to 1990

The restoration works included body restoration and repaint, engine, brake and gearbox overhauls, an interior retrim in leather plus wheel refurbishment. This Stag further benefits from renewed rear brakes, new rocker cover gaskets, coolant system remediation and repairs to the earthing in 2020.

Supplied with a large history file that comprises the Stag books; a vast collection of past MOTs, several past MOT certificates; Described as 'excellent' throughout all categories (engine, transmission, electrical equipment, interior trim, bodywork and paintwork)

There is no hardtop but has a Hamilton fitted car cover, the softop is in good condition and working order
