

Triumph TR6

Classic Triumph TR6

This car has an historic file for the 70's, 80's and 90's with a documented full service including brakes late 2009 and some parts since such an exhaust silencer in 2024

Despite the lack of corroborating paperwork we suspect the car may have been restored in the past judging by its condition

Has full cabin tonneau and new roof

Manual with Overdrive

Will be supplied with new MOT and we have undertaken recomissioning including new shocks, front suspension work arms and bushes, and welding

Is a CR chassis number so 125 ps
